

Your Learning & Research @ Library

Find Your Course Materials

You can find your **course materials** by:

- 1-Search
- Course Readings @ Library

Liaison Librarians are also committed to support students' learning with other course-related resources.

Prepare Your Assignments & Projects

Make use of our Library resources, such as:

- Library collections
- Online databases

Library workshops are provided to enhance your resources finding skills.

The Library is well-equipped with public PCs, iMacs, Multifunction Printers (MFP) and Special Educational Needs (SEN) equipment to facilitate your work and study.

Study in the Library

The Library provides a variety of study spaces like:

Overnight Study Spaces:

- Late Reading Room
- Computer Rooms

Bookable Spaces:

- Individual and Group Study Rooms
- Postgraduate Research Carrels

Highlighted Study Area:

- Incubation Zone
- Design Thinking Zone
- Chang Han-Tsiu Reading Room
- Study carrels and all open reading spaces

Prepare for Your Examinations

Past examination papers can be found in our Examination Database.

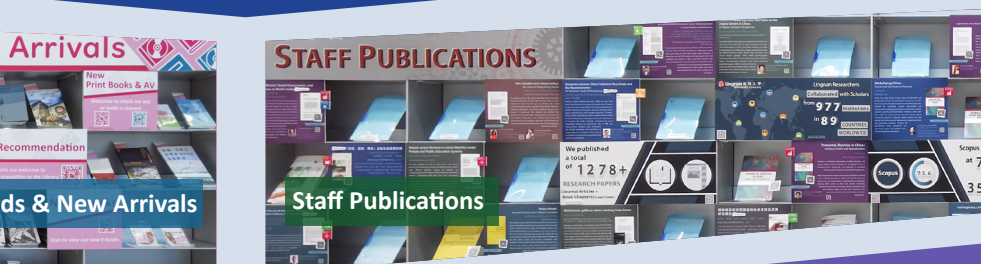

The Library also collects materials for language proficiency examinations such as IELTS in our **Language Examinations & Learning Resources**.

Beyond the Library

You may obtain materials from other local or overseas libraries using **Hong Kong Academic Library Link (HKALL) and Partners** service.

You can also gain access to other local libraries with:

- **JULAC Library Cards** (UGC-funded University libraries)
- **Reciprocal Institutional Library Reader Cards** (other local institutional libraries)

Plan Your Research

The Library's one-on-one **Research Consultation Service** offered by our professional librarians provides advice on effective information research on specific research topics and subject areas.

Discover & Undertake Research

Make use of the Library resources for your research.

Discovery Tools:

- 1-Search
- Archives & Special Collections

Citation Management Tools:

- RefWorks
- Endnote
- Zotero
- Mendeley, etc.

Data Analysis Tools:

- SPSS /AMOS
- NVivo
- Bloomberg
- Eikon, etc.

Instruction workshops to support the research needs in using the Library resources are given in every term.

Study spaces specifically designed for researchers' use:

- Postgraduate Lounge @ M/F
- Postgraduate Research Carrels @ 1/F

Publish & Impact

The Library is committed to raise the awareness and widen the research impact of the scholarly works of the Lingnan Community. Different platforms are developed including:

- **Lingnan Scholars**
Research landscape of Lingnan with scholar profiles
- **Digital Commons @ Lingnan**
Digital publishing platform of Lingnan
- **ORCID Registration Support**
Unique identifier for researchers and scholars @ Lingnan
- **Research Impact Service**
Key research impact numbers to highlight the research strength and expertise of the Lingnan community

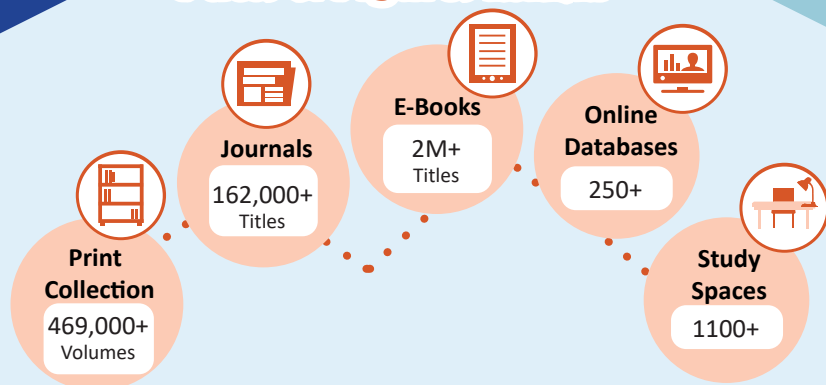

Whole-Person Education

The Library aims to support whole-person education through a suite of library activities including talks, seminars and exhibitions.

Lectures and Seminars @ Lingnan delivered through the Digital Commons also allow you to learn beyond the classrooms.

To understand more about the University, Lingnan University Archives collects original records that document the history of the Lingnan University.

Lingnan University Fong Sum Wood Library

Your Knowledge Hub

Vision & Mission

Vision

The Library strives to become the knowledge hub and intellectual heart of Lingnan University to support and advance its scholarly pursuits.

Mission

The Library is committed to develop fit-for-purpose collections, maximize access to scholarly resources, provide innovative services, and create compelling space and facilities to enrich the learning, teaching and research of the University.

Lingnan University Fong Sum Wood Library occupies four floors in the Patrick Lee Wan Keung Academic Building which has been named after the late benefactor Mr Fong Sum Wood since 1998.
