

## My Reading History Service

### What is My Reading History?

My Reading History service allows you to review what you have checked out once you activate this option. Once you enable this service, all items you check out will be recorded until you delete them or disable My Reading History.

### How to enable this Service?

From My Circulation Record

([http://www.library.ln.edu.hk/webpac/view\\_cir.html](http://www.library.ln.edu.hk/webpac/view_cir.html)), select "My Reading History". Then click "Enable My Reading History (Opt In)" to activate the Service. Be aware that your reading list only contains items that you check out AFTER you have enabled the Service.

## How to disable this Service?

From My Circulation Record, click “My Reading History” and select “Delete All” before clicking “Disable My Reading History (Opt out)” to disable the service. Be reminded that the deleted records will be removed permanently from your Reading History once you delete them.

The screenshot shows the Lingnan University Library Online Catalogue interface. The user is logged in as HO, Fanny. The Reading History section displays a table with 5 items. The 'Disable My Reading History (Opt Out)' link is circled in red.

## How to delete selected reading history items?

You can delete selected items from the list by clicking the check box next to the title and click “Deleted Marked”.

The screenshot shows the 'Online Catalogue' interface of the Lingnan University Digital Library. The user is logged in as 'HO, Fanny'. The page displays a 'Reading History ( 5 )' section with a table of items. The 'Delete Marked' button is circled in red, and the checkboxes for the first and third items in the table are also circled in red.
