Library Materials Recommendation

Faculty staff are welcome to recommend new books, journals, or AV materials to the Library. Recommendations can be made at:

<https://www.library.ln.edu.hk/en/collection/build>

Interlibrary Loan & HKALL

This service assists Faculty staff to request books, book chapters and journal articles that are not available in the Lingnan University Library from other local or overseas libraries.

<https://www.library.ln.edu.hk/en/use/otherlib/ill>

To obtain books beyond Lingnan University Library, Hong Kong Academic Library Link (HKALL) is a platform to facilitate Faculty staff to search and request books from other UGC-funded university libraries in Hong Kong.

<https://www.library.ln.edu.hk/en/use/otherlib/hkall>

JULAC Library Card

JULAC Library Card is available for eligible staff and Faculty to access and borrow items from other UGC-funded University Libraries.

Teaching & Research Support @ Library

Teaching Support

Course Readings @ Library

- Course Readings @ Library enables course instructors to create, maintain, evaluate, and share course resource lists easily.
- Instructors may also place recommended course materials and course reserve requests through the system.

<https://www.library.ln.edu.hk/en/learn/teach/course-readings>

Course Reserves

Instructors can add course materials to the Course Reserves via the Course Readings @ Library or by submitting request forms at:

<https://www.library.ln.edu.hk/en/use/reserves>

Tailor-Made Library Workshops

The Library is pleased to collaborate with Faculty staff to offer tailor-made workshops to develop students' course-specific research and learning skills. To request a class-embedded Library workshop, please email us at

library@ln.edu.hk.

Research Support

Digital Commons @ Lingnan

This platform is developed by the Library to collect and preserve the full-text and creative works of our Lingnan community. It also acts as the publishing arm of the University to publish scholarly journals.

<https://commons.ln.edu.hk>

Lingnan Scholars

- A scholarly portal to capture all research-related information including research outputs, grants, projects, awards, and the impact of these scholarly activities produced by our renowned scholars.
- It serves as the gateway to support the University's mission to promote excellent research, to explore Lingnan's cutting-edge scholarly works via open access to the research outputs, and to foster collaboration with the wider community across all disciplines.
