Setup & Printing Guide for macOS Devices

Colour Setting (Colour Printer Only)

STEP 3

3.1 Scroll down to **"Printer Options"** and select **"Printer Features"**

3.2 Select **[Colour / Black and White]**
(Charges are different for colour / B&W Printing)

Send Print Job STEP 4

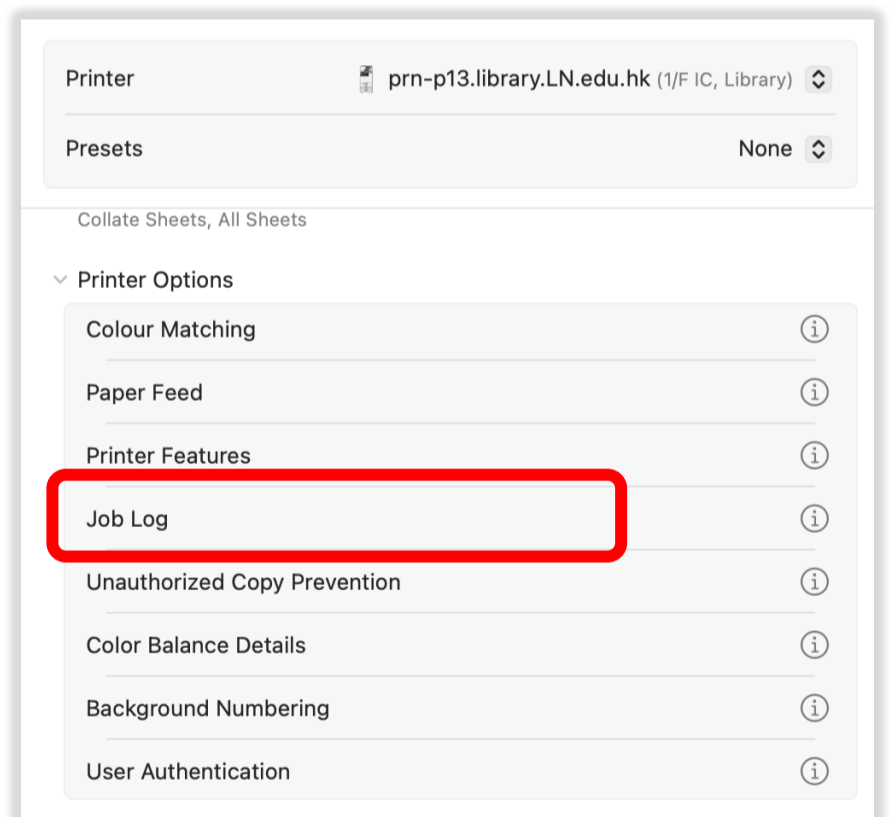

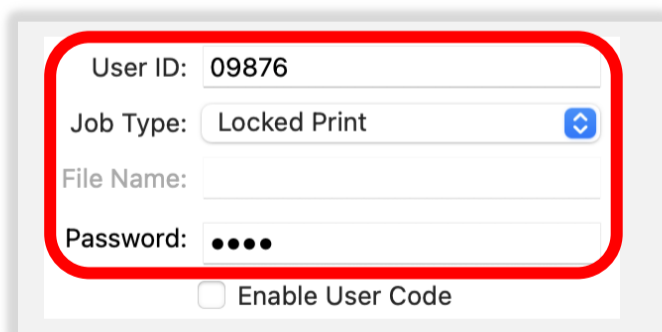

Similar to Library Public PCs printing, you have to assign a **"User ID"** and **"Password"** to your print job.
(**Wi-Fi printing does not support Google Chrome**, please use other Internet browsers to proceed.)

4.1 Choose the printer

4.2 Scroll down to **"Printer Options"** and select **"Job Log"**

4.3 Select **"Locked Print"** in Job Type

4.4 Entering your self-assigned **User ID** and **Password**

4.5 Double-check the printing preferences

4.6 Click **[Print]** and collect your print job at the MFP
